## About Licking County Recycling

Licking County Recycling is a government agency responsible for promoting and encouraging recycling to the 170,000+ residents, businesses, and industries of Licking County.

We are financially supported by the CFLP Solid Waste District (Coshocton, Fairfield, Licking, and Perry) and the Licking County Commissioners. Funding for solid waste districts throughout Ohio comes from waste disposal fees paid by waste haulers when using landfills. That money is then distributed to counties for recycling promotion.

Call us or find us online for more information on services we provide!

740-670-5125  🔄  www.lcounty.com/rlc

- Manage public recycling drop off sites throughout county.
- Provide educational programs, displays, and giveaways to schools, groups, or events.
- Maintain Facebook page, website, and newsletter.
- Loan free recycling bins (frames and bags) to businesses and groups for events.
- Provide materials and support for roadside and park cleanups.
- Conduct special recycling or collection events.
